★ ARIZONA HISTORY ★

ARIZONA'S TERRITORIAL DAYS

NEARLY 49 YEARS AS A U.S. TERRITORY

President Abraham Lincoln signed the Arizona Organic Act on **February 24, 1863**, creating the Territory of Arizona. For nearly 49 years, pioneers, miners, ranchers, and communities worked together to build a future in the rugged Southwest. On **February 14, 1912**, Arizona was admitted as the 48th state in the Union, fulfilling the dream of statehood for generations of Arizonans.
